

Annual Report

With the wholehearted Co-operation of my Staff and other well wishers, we have been serving the little ones entrusted to us, in this temple of knowledge for the past 41 years. We began with a handful of students distributed in two mediums (English & Marathi). Now it has grown into a full-fledged Educational Institute catering to over 3500 students in various faculties viz. Primary, Secondary School, Jr. College (Art, Commerce & Science) and D.Ed. College. Apart from the Scholastic areas, we are trying to measure the different aspects in order to develop the overall personality of the students. We find amongst us hordes of students with hidden potentials just waiting to be unearthed. We are with the times our Principal Sir has installed Biometric attendance for the staff and we have become really alert. CCTV for the students.
