

PRIMARY CURRICULUM

- I. The primary curriculum aims to provide a broad learning experience and encourages a rich variety of approaches to teaching and learning that cater for the different needs of individual children.
- II. The primary curriculum is designed to nurture the child in all dimensions of his or her life—spiritual, moral, cognitive, emotional, imaginative, aesthetic, social and physical.
- III. The assessment of students will be done in two areas i.e.
 - A. Scholastic
 - B. Co-scholastic
- IV. The scholastic area mostly includes test marks, notebook upkeep and subject enrichment.

Scholastic Area	
Language 1	English
Language 2	Hindi
Others	Mathematics
	Environmental

- V. On the other hand, the co-scholastic areas include skill-based activities, art education, physical educations and other co-curricular activities like dance, art, music, etc.

Co Scholastic Area
